### METAL WIZARD TUBE AMP by LARRY (coming soon)

#### the amp with 3 of the DINO's 5 voices: California Clean, British HotRod, Scream

Brief description: Appearance of the amp exactly like the ROCK WIZARD, just w/ brushed & anodized aluminum front & back panels instead of 3-layer melamine; 2 \* Bite & Punch controls on the rear panel, independent for the British HR & the Scream channel; no personality switches along the rear edge on top of the chassis; spot on DINO-ish circuit inside; same component brands like in the DINO's **AND** supplied w/ the legendary DINO output & power transformers → DINO voices par excellence!

Supplied with TungSol 12AX7A preamp tubes (6) + NOS Tungstam ECC83 input tube

Accessoires: power cord, 3-button footcontroller w/ LEDs, XLR-cable (23ft)
